Cable Type & Application Matrix

Type	Description	Application Context
MC-0.38/0.66	Rubber sheathed flexible cable	Power supply for coal-dredgers (0.38/0.66kV)
MCP-0.38/0.66	Shielded rubber sheathed flexible cable	Power supply for coal-dredgers and similar (0.38/0.66kV)
MCP-0.66/1.14	Shielded rubber sheathed flexible cable	Power supply for coal-dredgers and similar (0.66/1.14kV)
MCP-1.9/3.3	Shielded rubber sheathed flexible cable	Power supply for coal-dredgers and similar (1.9/3.3kV)
MCPJB-0.66/1.14	Shielded surveillance weave enhanced type	Direct drag usage for coal-dredgers (0.66/1.14kV)

Operational Characteristics

Sheath Material

Rubber • Shielded Rubber

Direct Dragging Support

Yes
