

Mobile Garden Hose Reel Cart with Basket

This mobile garden hose reel cart features a low center of gravity to prevent tipping during use. An integrated basket offers convenient storage for frequently used garden tools and accessories.

Product Overview

Professional Garden Hose Management

This four-wheel hose reel cart is engineered for efficient garden and landscaping maintenance. It features a robust metal frame designed to provide a stylish and accessible water supply solution while preventing hose kinks and tangles. With its pneumatic tires, the cart ensures smooth movement over rough and uneven terrain.
