Mobile Garden Hose Reel Cart

This mobile cart stores up to 60 meters of 1/2-inch hose or 45 meters of 5/8-inch hose. It features a telescopic handle and sturdy wheels for smooth maneuverability across various terrains.

Product Overview

Professional Telescopic Garden Hose Cart

The DY646G telescopic hose cart provides an efficient, mobile solution for organized hose storage in both residential and commercial settings. Its height-adjustable telescopic handle ensures ergonomic comfort, while the angled hose connection prevents kinking, twisting, or tangling during use. Constructed with high-quality, corrosion-resistant materials, this cart is engineered to withstand various weather conditions and provide reliable performance for years of heavy-duty outdoor watering.

Capacity & Design

Hose Storage Capacity

60 m	45 m
1/2 inch Hose	5/8 inch Hose

Design Features

- Telescopic height-adjustable handle
- Angled connection to prevent kinking
- Rust and corrosion resistant materials
- Mobile design for easy maneuvering
