

Mobile Phone Accessories

These are accessories for mobile phones. They can enhance the functionality and provide protection.

Product Overview

Clean Energy City Transport

The GZ6115SV/SV1 is a specialized single-fuel LPG air-conditioned city bus designed for efficiency and environmental compliance. By utilizing liquefied petroleum gas, it ensures cleaner, more complete combustion compared to traditional fuels. Safety is prioritized through the integration of a protective fence surrounding the gas cylinder, making it a robust choice for urban transit operations.

Technical Specifications

Fuel Type	Liquefied Petroleum Gas (LPG)
System Configuration	Single-fuel
Safety Features	Gas Cylinder Protective Fence, LPG Optimized Engine
Vehicle Category	City Bus
Climate Control	Yes
