

Modern Elevator Cabin with Geometric Gold Walls

This elevator cabin features gold-toned walls with geometric patterns. Its design includes a textured back panel and light marble flooring.

Overview

Sophisticated Modern Design

This modern elevator cabin offers a luxurious aesthetic suitable for high-end commercial and residential buildings. Featuring striking gold-toned walls with intricate geometric patterns, the cabin creates an immediate impression of elegance and quality. The interior is balanced by a neutral textured back panel and a bright, integrated ceiling lighting system, ensuring both style and functionality.
