

Modern Rectangular Shade Desk Lamp

This modern desk lamp features a rectangular shade with a frosted panel and mesh-like pattern. It is supported by cylindrical metal rods and a square metal base.

Product Overview

Minimalist Contemporary Illumination

The Modern Rectangular Shade Desk Lamp offers a sophisticated lighting solution for professional workspaces. Featuring a minimalist design, it combines a sleek metallic structure with a unique rectangular shade that utilizes a translucent panel and textured mesh layering. This piece provides both functional task lighting and a refined aesthetic appeal suitable for modern office or architectural settings.
