Product Overview

High-Performance Flush Grid Conveyor Belt

This modular plastic conveyor belt is engineered for demanding food processing environments, including pizza production lines. Its flush grid design ensures a smooth, sanitary surface that promotes easy cleaning and effective drainage. Built for durability, it offers significant longevity compared to traditional belts and is fully compliant with food safety standards.

Technical Specifications

Compatible Sprocket Sizes

- 10T
- 12T
- 14T
- 17T
- 19T
- 24T
- 36T

Pitch	12.7 mm
Thickness	6.4 mm
Minimum Width	204 mm
Open Area	53 %
Rod Diameter	3.5 mm
Working Temperature	-40°C to 260°C

Design Features

Certifications

FDA • EU

Configuration Options

1.2 tons/sqm

Max Load Capacity

Available Materials

PP, POM, PE, PA

Available Colors

White, Blue, Gray, Nature, Dark-brown

Applications

Food Industry Applications

- Meat (beef & pork)
- Poultry
- Sea Food
- Bakery
- Snack Food
- Fruit & Vegetables

Non-Food Industry Applications

- Automotive
- Tire manufacturing
- Packaging
- Printing/Paper
- Postal
- Corrugated cardboard
- Can manufacturing
- PET manufacturing
- Textile
