Product Overview

High-Performance Engine Carburetor

This high-quality carburetor is precision-engineered for XH90, AX100, and CY80 engines, serving as a reliable replacement part for various motorcycles and scooters. Designed to optimize air-fuel mixture, it ensures smooth combustion and efficient engine operation. Built for durability, this component is an essential maintenance solution for mechanics and vehicle owners seeking consistent performance.

Technical Specifications

Precision-engineered carburetor designed for optimal air-fuel mixture.

Inner Diameter	20.8 mm
Outer Diameter	26.5 mm

Compatibility

Reliable spare part ensuring compatibility and engine performance.

Suitable Vehicle Types

- Motorcycles
- Scooters

Compatible Engines

XH90, AX100, CY80

Product Details

Durable construction suitable for XH90, AX100, and CY80 engine maintenance.

Model Number

HU06

Part Category

Engine Spare Parts
