

Motorcycle Exhaust Header Pipe for MT-09

This stainless steel exhaust header pipe is designed for MT-09 motorcycles. It features a 2-into-1 configuration to improve exhaust flow and performance.

Product Overview

Performance Exhaust Header

This stainless steel exhaust header pipe is precision-engineered to enhance exhaust flow and overall motorcycle performance. Constructed from high-quality 304 stainless steel, it offers exceptional durability and resistance to corrosion in demanding riding conditions. The kit includes all necessary mounting brackets and spring hooks, ensuring a secure and straightforward installation process for a significant upgrade in both sound and efficiency.

Compatibility & Materials

Material	304 Stainless Steel
Compatible Model	MT-09

Key Features

Included Components

- Exhaust header pipe
- Mounting brackets
- Spring hooks
