Overview

Premium Hard Saddlebags for Sportster

These assembled hard saddlebags are specifically engineered for Harley Sportster 883 and 1200XL models manufactured between 1994 and 2003. Featuring a durable black finish and high-impact ABS plastic construction, they offer robust protection against the elements and road debris. The pre-assembled design and integrated locking mechanisms ensure both easy installation and secure storage for your belongings during touring or daily commutes.
