

# Motorcycle Rear Fender with CVO Lights for Touring Models

This rear fender fits 2009-2019 Touring models. It features integrated CVO style lights and a smooth, no-cut-out design.

## ADDITIONAL IMAGES

## Product Overview

### Premium CVO-Style Extended Rear Fender

This CVO-style extended rear fender offers a sleek, custom look for Harley-Davidson touring motorcycles. Engineered for a seamless fit, it features an integrated high-intensity LED light bar that serves as a running light, brake light, and turn signal. Crafted from durable molded ABS plastic with a glossy finish, this fender provides a professional-grade aesthetic upgrade without the need for complex modifications.
