

Multi-Attachment Food Processor with Juicer, Blender, and Grinder

This versatile food processor is designed for a variety of kitchen tasks. It features a juicer, blender, and grinder, all powered by a single motor unit with multiple speed settings.

Overview

Versatile 4-in-1 Kitchen Solution

This multi-attachment food processor is designed to streamline kitchen tasks by combining a juicer, blender, and grinder into a single, efficient motor unit. Built with high-quality, food-grade materials, it ensures both safety and durability for professional or home use. Its compact design allows for easy countertop placement while offering precise control through multiple speed settings.

Technical Specifications

Power Rating	450 W
Functionality	Juicer, Blender, Grinder, Food Processor
