

Multi-Door Refrigerator with Bottom Freezer

This refrigerator features a multi-door design with a top section and a bottom freezer. The exterior is white and adorned with a floral pattern.

Product Overview

Modern Multi-Door Refrigeration

This multi-door refrigerator offers a sophisticated storage solution for professional or high-end residential environments. Featuring a convenient bottom freezer design, it provides easy access to frequently used items in the upper section. The exterior is finished with a distinctive floral pattern, combining aesthetic appeal with efficient cooling performance.
