

Multi-Function Kitchen Appliance for Blending, Coffee Making, and Juicing

This versatile kitchen appliance combines blending, coffee making, and juicing capabilities. It provides a convenient solution for preparing various beverages and foods.

Overview

Reliable Power Storage Solution

This 12V 75Ah deep cycle battery is engineered for consistent performance and long-lasting durability in demanding applications. Its robust construction ensures maintenance-free operation, making it an ideal choice for solar power systems, electric vehicles, and reliable backup power solutions. Designed with excellent deep discharge capabilities, it provides dependable energy storage for professional and industrial needs.

Technical Specifications

Voltage	12 V
Capacity	75 Ah
Model Identifier	G-DZM-75

Key Features

Performance Metrics

12 V

Voltage

75 Ah

Capacity

Key Attributes

Deep Cycle, Maintenance-Free, High Durability, Deep Discharge Capable

Applications

Recommended Applications

- Solar power systems
- Electric vehicles
- Backup power solutions
