Overview

Versatile Industrial Weighing Solution

This multi-functional digital weighing scale is engineered for precision and durability in demanding environments such as warehouses, shops, and industrial facilities. It features a rugged ABS housing and a removable stainless steel platform for easy maintenance, ensuring long-term service. With high-precision load cell technology and a clear, backlit FSTN LCD display, it provides reliable measurements across multiple units of measure.

Performance

Capacity Options

Model	Capacity
EHC-WH-3	3kg x 0.1g / 6lb x 0.0002lb
EHC-WH-6	6kg x 0.2g / 15lb x 0.0005lb
EHC-WH-15	15kg x 0.5g / 30lb x 0.001lb
EHC-WH-30	30kg x 1g / 60lb x 0.002lb

Units of Measure

kg, g, lb, oz

Construction

Build Quality

- Rugged ABS housing
- Removable stainless steel weighing platform
- Heavy duty inner die-cast aluminum loadcell bracket
- Level bubble and adjustable feet

Display & Interface

Display	Large FSTN LCD with backlight, 25mm high digits
Keypad Operations	25-key interface including zero, tare, G/N, enter, %, clear, func., Hi/Lo, unit, acc, pcwt, spl, print, and 0-9 numeric keys

Technical Specs

Power Options 12V 500mA Adapter • 6V 4Ah Rechargeable Battery	
Operating Temperature	
-10 °C Min Temp	40 °C Max Temp
Connectivity	RS232, USB
Approvals & Standards	CE, WEEE, UL/CE/BS/VI Energy Approved
