

Multi-Functional Pliers with Serrated Jaws

These multi-functional pliers feature serrated jaws for enhanced gripping capabilities and cutting edges designed for wire cutting. Their durable metal construction ensures long-lasting performance.

Product Overview

Professional Multi-Functional Pliers

These multi-functional pliers are engineered for versatile performance in demanding environments. Featuring serrated jaws for superior grip and integrated cutting edges for precise wire shearing, they are built to handle a variety of tasks with ease. The construction utilizes durable metal to ensure long-lasting performance, complemented by ergonomic handles designed for user comfort during extended operation.

Technical Specifications

Jaw Design	Serrated
