

Multi-Speed Kitchen Blender with Grinding Attachment

This kitchen blender is designed for blending and grinding various ingredients. It features multiple speed settings and a pulse function for customized blending control.

Overview

Versatile Kitchen Performance

This multi-speed kitchen blender is designed for efficient food preparation, offering both blending and grinding capabilities in one compact unit. Equipped with high-quality stainless steel blades and a durable 1.75L jug, it handles various ingredients with ease. The inclusion of a safety lock, quick clean function, and pulse control makes it a reliable and user-friendly choice for professional or home kitchens.
