

# Multi-Terrain Bicycle with Fenders and Rack

This bicycle is designed for mixed terrain use, featuring a yellow and silver frame. Equipped with front and rear fenders, a padded seat, and a rear rack, it offers enhanced comfort and control.

## Overview

### Versatile Multi-Terrain Performance

This multi-terrain bicycle is engineered for versatility, featuring a robust yellow and silver frame designed to handle both paved roads and off-road trails. Equipped with front suspension forks and a multi-speed drivetrain, it offers enhanced comfort and control across varied surfaces. Practical additions like front and rear fenders, along with a rear cargo rack, make it an ideal choice for daily commuting or recreational riding.
