

Multifunction Emergency Lantern with AM/FM Radio

This multifunction emergency lantern provides light, sound, and emergency signaling. It features a fluorescent tube lantern, AM/FM radio, siren, and blinker.

Overview

Versatile Emergency Preparedness

This multifunctional emergency lantern is an essential tool designed for reliability during power outages and outdoor activities. It combines high-visibility illumination, emergency signaling, and communication features in a single compact unit. Engineered for flexibility, it supports both AC/DC power options and battery operation to ensure it remains functional in any environment.

Technical Specifications

Power & Operation

- AC/DC Operation
- Dry Cell Battery Compatible
- Automatic light-up during power failure

Illumination Capabilities

2x6W Fluorescent Tube, Rotatable Lamp, Integrated Torch, Emergency Blinker

Audio & Communication

AM/FM Radio, Cassette Player, Integrated Siren
