

Multifunction Rechargeable Emergency Lantern with AM/FM Radio and Cassette Player

This rechargeable multifunction lantern features dual 6W fluorescent tubes, a rotatable torch, blinker, and siren. It also includes an AM/FM radio, cassette player, and automatic light-up function during power failures.

Product Overview

Multifunction Emergency Utility Lantern

This versatile emergency lantern integrates high-utility lighting with essential entertainment and safety features. Designed for reliability during power outages, the unit automatically illuminates when power fails, ensuring immediate visibility. It combines a dual-tube fluorescent lighting system with integrated AM/FM radio, a built-in cassette player, and a siren for emergency situations.
