

Multifunction Rechargeable Emergency Lantern with AM/FM Radio

This rechargeable multifunction lantern features a fluorescent tube lantern, a torch, and a radio. It can operate on AC or DC power and includes an alarm function.

Product Overview

Versatile Emergency Lighting and Audio

This multifunction rechargeable lantern is designed to be a reliable companion for power outages, camping trips, and emergency situations. It combines multiple light sources with an integrated AM/FM radio and cassette player to provide both utility and entertainment. With the ability to operate on AC/DC power or dry cell batteries and an automatic light-up feature for power failures, it ensures constant readiness when you need it most.
