Product Overview

Professional-Grade Multi-Purpose Cleaning

This multi-purpose foam cleaner utilizes an international formula with advanced deep-foaming action to lift dirt, grime, and stains from a wide variety of surfaces. Designed for versatility, it is suitable for automotive, marine, and household applications, effectively cleaning materials like vinyl, fabric, upholstery, and chrome without the need for water. The formula is eco-friendly, non-irritating, and leaves a fresh, renewed finish on treated surfaces.
