

# Multipurpose Masking Tape Rolls

This masking tape is multifunctional and suitable for various projects. It is easy to apply and remove, leaving clean lines.

## Product Overview

### Versatile Masking Solution

These multipurpose masking tape rolls are engineered with a high-quality crepe paper backing and a specialized solvent natural rubber adhesive. Designed for professional use, the tape offers an easy-tear application and ensures a clean removal without leaving sticky residue behind. It is an essential tool for indoor decoration, general bundling, packaging, and securing light-duty items.

## Technical Specifications

Backing Material	Crepe paper
