

Nesting Decorative Boxes

These nesting boxes feature a decorative red floral pattern. Designed to stack within each other, the set includes boxes of varying sizes for compact storage.

Product Overview

Elegant Nesting Storage Solution

These nesting decorative boxes offer a sophisticated and practical storage solution for any space. Featuring a vibrant red floral pattern, the set includes multiple boxes of varying sizes that stack neatly within one another for compact storage when not in use. Each stack is topped with a distinct heart-shaped lid, making them an ideal choice for gifting, home organization, or decorative accents.
