Product Overview

High-Dexterity Safety Gloves

These nitrile coated safety gloves feature a 13-gauge polyester liner designed for optimal breathability and comfort during extended wear. The durable nitrile coating provides a secure grip in both wet and dry conditions, making them ideal for precision tasks. They offer excellent abrasion resistance and protection against oils and solvents, suitable for assembly, automotive, and general handling applications.

Technical Specifications

Liner Material	Polyester
Liner Gauge	13
Coating Material	Nitrile
Weight per Pair	40 g

Logistics

Packaging Configuration

Unit	Quantity
Pairs per Dozen	12
Pairs per Carton	240

Available Sizes	8, 9, 10
