

# Non-Stick Fluted Tart Pan

This fluted tart pan is ideal for baking individual tarts, quiches, and desserts. Its non-stick coating ensures easy release and cleanup, while the fluted edges create a decorative crust.

## Product Overview

### Professional Quality Tart Pan

This fluted tart pan is designed for baking high-quality individual tarts, quiches, and desserts. Constructed from durable carbon steel, it ensures even heat distribution for consistent baking results. The integrated non-stick coating facilitates easy food release and simplifies cleanup, making it an essential tool for both professional and amateur bakers.

## Technical Specifications
