

Non-Stick Fry Pan

This high-quality frying pan features a durable non-stick coating for effortless food release and easy cleanup. The ergonomic handle provides a comfortable and secure grip, enhancing control during cooking.

Product Overview

Professional Non-Stick Performance

This high-quality frying pan is engineered for versatility and durability in professional kitchen environments. Featuring an advanced non-stick coating, it ensures effortless food release and simplifies cleanup processes. Its heavy-gauge construction promotes even heat distribution, preventing hotspots and ensuring reliable cooking performance every time.

Technical Specifications

Stovetop Compatibility	Induction, Gas, Electric, Ceramic
Material Grade	Heavy-gauge metal

Ergonomics & Design

Handle Design	Ergonomic grip for comfort and secure control
