

Non-Stick Wok with Glass Lid

This is a non-stick wok designed for cooking various food items, beverages, or cereals. It features a glass lid and a flat bottom, making it suitable for use on different types of cooktops.

Product Overview

Professional Grade Non-Stick Wok

This versatile non-stick wok is designed for efficient cooking, making it suitable for a wide range of food and beverage preparation, including cereal processing. It features a durable non-stick surface and a flat-bottom design, ensuring excellent stability across various commercial and residential cooktops. Each unit comes complete with a fitted glass lid for better heat retention and visibility during the cooking process.
