Product Overview

High-Strength Diamond Braided Rope

This diamond braided nylon rope is a resourceful, high-strength solution designed for both indoor and outdoor applications. Featuring excellent abrasion resistance and impressive stretching capabilities, it remains durable under sunlight and water exposure without losing its integrity. Its secure knotting ability and resistance to unraveling make it an ideal choice for heavy-load carriage, DIY crafting, and general utility tasks.

Technical Specifications

Material	Nylon
Construction	Diamond Braid
Carrier Count	16

Features & Benefits

Common Applications

- Marine
- Camping
- DIY Crafting
- Heavy Load Carriage
- Clothes Drying Lines
- General Utility

Key Features

High Strength, Abrasion Resistant, UV Resistant, Water Resistant, Anti-Unraveling, Secure Knotting
