

Oil-Filled Radiator Heater

This oil-filled radiator features a new design. It offers multiple heat settings, an adjustable thermostat, overheat protection, and smooth-rolling casters.

Overview

Efficient Heating Solution

This oil-filled radiator heater provides reliable, consistent warmth for small to medium-sized rooms. Engineered with green environmental conducting oil, it ensures efficient heat retention and distribution. With adjustable thermostat controls and multiple power output settings, users can easily customize their comfort levels while maintaining safety through built-in overheat protection.

Technical Specifications

Steel Thickness	0.5 mm
Fin Dimensions	120mm x 580mm
Fin Configuration	5 to 13 fins

Performance

Power Output Options

Total Power	Setting Breakdown
1000W	500W / 500W / 1000W
1500W	600W / 900W / 1500W
2000W	800W / 1200W / 2000W
2500W	1000W / 1500W / 2500W

Features & Safety

Usability Features

- Integrated carry handle
- Smooth-rolling castors
- Wrap-around cord storage

Safety Features

Overheat Safety Cut-off, Indicator Lights, Adjustable Thermostat
