

Oil-Filled Space Heater Radiator

This oil-filled radiator provides efficient and consistent warmth. It features adjustable heat settings and a triple overheat protection system for safety.

Overview

Efficient Heating Performance

This oil-filled space heater is designed for reliable, energy-efficient warmth in residential or office environments. Featuring a triple overheat protection system and pressure-tested construction, it prioritizes safety alongside performance. With adjustable thermostat controls, a 24-hour timer, and multiple heat settings, it offers versatile climate management for various room sizes.

Technical Specifications

Power Requirements	220-240V, 50/60Hz
Heat Settings	3
Certifications	GS, CE, EMC, ROHS
Fin Size	160*600mm

Features

Safety Features

Triple Overheat Protection • Pressure Tested • Indicator Lights

Convenience Features

- Adjustable thermostat control
- 24-hour timer
- Smooth castors for mobility
- Integrated cord storage
- Easy to clean
