

Oil-Filled Space Heater Radiator

This oil-filled radiator provides efficient and consistent heating for indoor spaces. It features multiple heat settings, an adjustable thermostat, and a safety shut-off function to prevent overheating.

Overview

Efficient Indoor Heating Solution

This oil-filled space heater radiator provides consistent, long-lasting warmth through efficient thermal radiation. Designed with safety in mind, it features a triple overheat protection system and pressure-tested components for reliable operation. With adjustable heat settings and smooth-rolling castors, it offers a versatile and portable heating solution for homes and offices.

Technical Specifications

Key Features

- Triple overheat protection system
- Adjustable thermostat control
- Pressure tested for safety
- Smooth castors for easy movement
- Built-in cord storage
- Easy to clean design

Voltage & Frequency	220-240V, 50/60Hz
Heat Settings	3
Fin Size	160*600mm
Safety Certifications	GS, CE, EMC, ROHS

Logistics & Configuration

Available Configurations

Fins	N.W. (kg)	G.W. (kg)	Dimensions (cm)
7	9.4	10.4	35x17x66
