

On-Ear Headphones with 40mm Driver

These on-ear headphones deliver immersive audio through a 40mm driver. Soft earcups and an adjustable headband provide a comfortable, customized fit.

Product Overview

Comfortable On-Ear Design

These on-ear headphones feature a 40mm driver designed to deliver an immersive listening experience. Built with soft earcups and an adjustable headband, they provide excellent noise isolation and a customized fit for extended use. Their lightweight construction and standard 3.5mm connectivity make them a versatile choice for travel and daily audio needs.
