Product Overview

High-Performance Cooling Solution

This automotive radiator is precision-engineered for the Opel Astra G 2.2 TD, specifically designed to handle the thermal demands of the 2172 Y22DTR engine. Constructed for durability and optimal heat dissipation, it ensures reliable engine temperature regulation under diverse driving conditions. The unit is built to meet or exceed original equipment standards, facilitating a precise fit and straightforward installation for professional maintenance and repair applications.

Compatibility & Fitment

Compatible Vehicle	Opel Astra G 2.2 TD
Engine Code	2172 Y22DTR
Transmission	Manual Transmission (MT)

Technical Specifications

Key Performance Metrics

2.2 L Engine Capacity	
OEM Reference Numbers	1300210, 1300407, 9157938, 9192607, 93174625
