

Open Face Motorcycle Helmet with Retro Design

This motorcycle open face helmet features a retro design. It includes a short visor, padded interior, adjustable chin strap, and chrome accents.

Overview

Classic Retro Aesthetic

This open-face motorcycle helmet combines a timeless vintage aesthetic with modern safety engineering. Crafted with a durable injected thermoplastic resin shell and a protective UV lacquer finish, it is designed for riders who value both style and reliability. The versatile design features a 3-snap peak system and offers multiple chin strap configurations to suit different riding preferences.
