

Orange Electric Scooter with Step-Through Frame

This is a scooter-style electric bike with an orange body and black accents. It features a step-through frame, padded seat, and rear rack.

Overview

Designed for Efficiency and Comfort

This scooter-style electric bike features a highly accessible step-through frame, making it ideal for urban commuting and quick deliveries. The vibrant orange design with black accents ensures high visibility on the road, while integrated safety features like turn signals, mirrors, and a bright front headlight provide peace of mind. Built with utility in mind, it includes a padded seat and a rear rack to support daily transport needs.
