

Outdoor IR Security Camera

This professional-grade outdoor security camera is designed for reliable surveillance in various weather conditions. Featuring infrared (IR) LEDs, it provides clear night vision capabilities, enabling 24/7 monitoring.

Product Overview

Professional Surveillance Solution

This professional-grade outdoor security camera is engineered to provide reliable surveillance across diverse weather conditions. With advanced infrared LEDs, it ensures consistent 24/7 monitoring even in low-light environments. The rugged, weatherproof housing guarantees durability against rain, dust, and temperature fluctuations, making it an ideal choice for both residential and commercial security infrastructure.

Technical Specifications

Night Vision Technology	Infrared (IR) LED illumination
Environmental Protection	Weatherproof, Dust-resistant, Temperature-resistant

Design Features

Glare Protection	Yes
Build Quality	Rugged industrial grade

Application

Suitable Environments

- Residential security
- Commercial facility monitoring
