Product Overview

High-Performance Outdoor Illumination

This outdoor LED flood light is engineered for versatility and reliability in demanding environments. Featuring high-efficiency LED technology, it delivers superior brightness while maintaining energy efficiency. With an IP66 rating for weather resistance and a comprehensive 5-year warranty, it serves as a robust solution for security, landscape, and large-area architectural lighting.

Technical Specifications

Luminous Efficiency

110 lm/W
Min Efficiency

150 lm/W
Max Efficiency

Ingress Protection

IP66

Certifications

CE

Warranty Period

5 years

Model Variants

Available Models

Model Series	Wattage Options
YXL320A-T	60W, 90W
YXL320B-T	120W, 150W, 200W
