Product Overview

High-Performance Outdoor Illumination

This high-performance LED street light is engineered for reliable outdoor illumination in demanding environments. Featuring a robust casting aluminum and polycarbonate housing, it offers excellent durability and an IP65 rating for superior weather resistance. Designed for efficiency, this unit provides uniform brightness suitable for streets, parking lots, and large area lighting applications.

Electrical Specifications

Power Options

- 50
- 100

Input Voltage	100-265V
Frequency	50-60Hz
Power Factor	0.9

Optical Performance

Luminous Efficacy

110 lm/W
Minimum Efficacy

Color Temperature	6500K
Color Rendering Index (CRI)	70

Construction & Durability

IP Rating

IP65

Housing Materials

Casting Aluminum, Polycarbonate
