

Outdoor LED Wall Light with Bell Diffuser

This wall-mounted light fixture features a sleek, modern design with a clear, bell-shaped diffuser and a metallic finish. The light source is an LED bulb, providing energy-efficient illumination.

Product Overview

Solar Powered Illumination

The XLTD-906A solar wall light is an efficient, wireless lighting solution designed for modern outdoor spaces. Featuring a durable stainless steel construction and a unique bell-shaped diffuser, it offers reliable illumination for pathways, patios, and entryways. The unit operates autonomously with an integrated light sensor, providing up to 8 hours of bright LED lighting on a full charge.
