

Outdoor Street Light Fixture with Conical Diffuser

This outdoor street light fixture is designed with a conical diffuser for optimal light distribution. Its durable metal housing ensures reliable performance in outdoor environments.

Product Overview

Professional Outdoor Illumination

This outdoor street light fixture is engineered for reliable and efficient area lighting. Featuring a high-quality conical diffuser, the unit ensures uniform light distribution across public spaces, walkways, or industrial perimeters. Its robust metal housing is designed to withstand outdoor conditions, making it an ideal choice for durable infrastructure projects.
