

Oval LED Wall Sconce with Opal Glass Diffuser

This elegant wall sconce features a sleek, oval-shaped design with a black finish and integrated LED lighting. The opal glass diffuser provides a soft, ambient glow, perfect for creating a warm and inviting atmosphere in any room.

Product Overview

Design & Application

This elegant oval wall sconce combines a modern aesthetic with high-quality construction. Featuring a sophisticated opal glass diffuser, it delivers a soft, ambient glow suitable for creating inviting atmospheres in commercial or residential interiors. Its durable aluminium and iron build ensures long-lasting performance, while the minimalist profile seamlessly integrates into contemporary and transitional spaces.
