

Over-Ear Diamond Embellished Headphones

These over-ear headphones feature a pink and white color scheme with diamond embellishments. The headphones are foldable for compact storage and have black ear cushions for comfort.

Product Overview

Stylish Audio Experience

These over-ear headphones combine functional audio performance with a distinctive aesthetic. Featuring delicate diamond embellishments on the earcups, they offer a unique look for style-conscious users. The foldable design ensures compact storage, while the comfortable black ear cushions make them suitable for extended listening sessions.
