

Over-Ear Headphones with 40mm Driver

These over-ear headphones provide a comfortable and immersive audio experience. The headphones feature 40mm drivers, closed-back earcups, and a standard 3.5mm audio jack for compatibility with smartphones, tablets, and laptops.

Product Overview

Professional Audio Experience

These over-ear headphones are designed to provide a comfortable and immersive audio experience for professional and everyday use. Featuring a lightweight, adjustable headband and closed-back earcups, they offer excellent noise isolation and a secure fit for extended listening sessions. With high-quality 40mm drivers, these headphones deliver clear, balanced sound across a wide frequency range.
