

Over-Ear Stereo Headphones with 40mm Driver

These over-ear headphones deliver clear and balanced sound for an immersive audio experience. The adjustable headband and cushioned earcups ensure a comfortable and secure fit for extended use.

Product Overview

Professional Audio Experience

These over-ear stereo headphones are engineered to deliver a clear and balanced audio experience suitable for a variety of professional and personal applications. Featuring a robust 40mm driver, they provide high-fidelity sound reproduction across a wide frequency range. Designed with user comfort in mind, the adjustable headband and cushioned earcups ensure extended wearability, making them an ideal choice for daily use in office or home environments.
