

# Over-Ear Stereo Headphones with 40mm Driver

These lightweight over-ear headphones provide comfortable listening with soft, padded earcups for enhanced sound isolation. The adjustable headband ensures a secure fit, while compatibility with standard audio cables allows use with smartphones, tablets, laptops, and MP3 players.

## Product Overview

### Professional Audio Experience

These over-ear stereo headphones are engineered for high-fidelity sound reproduction, featuring 40mm drivers that deliver clear audio across a wide frequency range. Designed with comfort in mind, they feature soft, padded earcups for effective sound isolation and an adjustable headband for a customized fit. With a standard 3.5mm connection, they offer versatile compatibility with smartphones, laptops, and professional audio equipment.
