

Over-Ear Stereo Headphones with Cushioned Earcups

These over-ear headphones deliver clear and balanced sound through 40mm drivers. Equipped with soft, cushioned pads and an adjustable headband, they ensure a comfortable and secure fit for extended listening.

Product Overview

Comfort and Performance

The KT-B45 over-ear headphones are engineered for immersive audio experiences and long-term comfort. Featuring a lightweight, adjustable headband and soft cushioned earcups, they provide excellent noise isolation for extended listening sessions. With high-quality 40mm drivers, these headphones deliver a balanced sound profile suitable for a wide range of media and professional applications.
