

Over-Ear Wired Headphones with Microphone

These over-ear headphones are lightweight and comfortable, featuring an integrated microphone. The black PVC cable is 2.2 meters long and includes a volume control.

Product Overview

Professional Wired Audio Solution

These over-ear wired headphones are designed for clear communication and reliable audio performance in professional and personal settings. Featuring a 40mm speaker driver, they deliver balanced sound across a wide frequency range suitable for online meetings, voice calls, and multimedia use. The adjustable design and integrated microphone boom ensure comfort and clarity during extended periods of use.
