

Over-Ear Wired Headset with 40mm Driver

This headset features a lightweight and comfortable over-ear design. It delivers clear sound quality for music, podcasts and more.

Product Overview

Professional Audio Experience

The LKT-B43 is a reliable over-ear wired headset designed for consistent audio performance. Featuring a 30mm driver and a comfortable back-bang design, it provides clear sound reproduction across the 20-20,000Hz frequency range. With a robust 2.2m cable and standard 3.5mm connectivity, this headset is an ideal solution for various personal and professional audio applications.
