

Paint Roller Refills

These are standard size paint roller refills. The refills are white with gray marbling.

Product Overview

Professional Paint Roller Refills

These high-quality paint roller refills are designed for efficient and smooth paint application on various surfaces. Featuring a durable white construction with gray marbling, these rollers ensure even coverage and minimal lint transfer. Each refill is individually wrapped to maintain cleanliness and integrity until ready for use, making them an ideal choice for professional painting projects.
